# Hillhurst United Church

An Affirming Congregation in the Heart of Kensington

Hillhurst United Church commits to be an inclusive community of faith that follows in the Way of Jesus under the banner **"whoever you are, wherever you're at, join us on the journey"**.

We strive to accept each other as we are and welcome the ministry and participation of all persons regardless of age, gender identity, health, race, sexual orientation, differing abilities, religious or ethnic background or economic circumstance.

We hope that in all that we do, including our worship and community life, God's unconditional love is experienced.

We do this trusting God is with us on the journey.
